5 (A) Discussions held during the PAB meeting:

During the discussion in PAB meeting, following key issues were pointed out which needs to be addressed by the UT Govt. of Jammu & Kashmir:

- J&K needs to expedite and ensure timely transfer of funds to SIS.
- There is a total vacancy of 5014 teachers in the UT and the posts have been referred to Service Selection Recruitment Board SSRB. PAB asked the UT to expedite the process and recruit teachers as early as possible latest by Dec, 2020.

- There are 2061 untrained teachers in Government Secondary Schools based on UDISE, 2018-19 who do not meet the requisite professional qualifications. UT is to roll out a policy to enrol such teachers in Teachers Education Institutions, to complete the professional course, who are without having minimum qualification. All untrained teachers need to be professionally trained so as to be compliant with NCTE regulations.
- Existing models adopted under Vocational Education (VE) by the state of Haryana, Himachal Pradesh (HP) should be studied for replication by the UT.
- NISTHA is conducted online and now the UT should be connected at district level. QR code must be issued and teachers should download the same and accordingly assessment should be done.
- DIKSHA content of high quality could be tagged; other states content could be taken up, focusing on NCERT content. DIKSHA and Swayam Prabha should be introduced with the help of MHRD. DTH facility may be provided.

Additional issues considered by the PAB

- UT proposal for newly establishment of 1 (one) Studio at Jammu was considered and approved by the PAB.
- Proposal of 02 New Divisional Counseling Cell and 20 new District Counseling Cell was also approved by the PAB.
- The proposal of Students Diary was considered and approved as proposed by the UT

6. New Approaches 2020-21

During the year 2020-21, the new approaches are continued for enhancing the effectiveness of the Samagra Shiksha scheme and making it more outcomes oriented. These new approaches aim to engage all administrators, schools, teachers and children in activities which would enable to improve the learning outcomes and also measure the impact and outcome of various components under the scheme:

6.1. In-service Teacher Training:

The Department of School Education and Literacy launched a National Mission to improve learning outcomes at the Elementary level through an Integrated Teacher Training Programme called NISHTHA – National Initiative for School Heads’ and Teachers’ Holistic Advancement on 21st August, 2019. The aim of this integrated teacher training programme was

to build the capacities of around 42 lakh teachers and Heads of Schools, faculty members of SCERTs and DIETs and Block Resource Coordinators and Cluster Resource Coordinators.

A total of 23,137 KRPs and SRPs and 16, 99,931 School Heads and Teachers have been trained under NISHTHA in 2019-20. In this regard, given the positive feedback received from the States and UTs regarding the effectiveness of the NISHTHA training programme at the elementary level particularly in terms of effective transition of comprehensive and well defined modules covering various aspects teaching learning processes, it has been decided to launch NISHTHA Phase-II at the secondary level in order to have a coordinated and learning outcome based training programme. Teachers, Head Masters/Principals of Government and Government aided schools at secondary level will be covered in NISHTHA Phase-II.

However, the present situation of COVID-19 has presented new challenges for face to face training and also several opportunities to innovate, revamp and technology integration in In-service Teacher Training. Therefore, it has been decided that this year remaining training of NISHTHA at elementary level and NISHTHA Phase II training at Secondary level will be conducted online by the NCERT using high quality professionally made e-content following the four quadrant approach consisting of video, text, self-assessment and learn more.

In order to facilitate teachers to undertake online NISHTHA training, financial support upto Rs 1000 per teacher for procuring pen-drives with pre-loaded content and modules, printing of modules and high speed data-pack will be provided to Government teachers at elementary level and Government/Government aided teachers at secondary level on reimbursement basis and subject to successful completion of the training course.

6.4 COVID- 19 Response: Ensuring safety and security in schools and Digital learning in view of the Covid-19 situation

In the year 2020-21, the COVID-19 pandemic has caused an unprecedented public health emergency; affecting 210 countries and territories globally. The spread of COVID -19 has imposed national lockdown leading to nationwide closure of the educational institutes as India prepares to fight against the pandemic. Precautions are necessary to protect students and educational facilities from the potential spread of COVID-19 in school environment, while at the same time ensuring minimum disruption in learning.

For this, various interventions under Samagra Shiksha need to be realigned to manage the crisis with specific emphasis on **learning processes and safety & security of children**. The funding provided for various components under Samagra Shiksha may be utilised to deal with the current situation based on the following guidelines:

I. LEARNING PROCESSES:

1) Digital teaching learning process to be undertaken under Teacher training, DIKSHA/Digital content creation and Learning Enhancement Programmes (LEP) components.

(i) Training of Teachers on Safety and e-learning aspects.

- Online NISHTHA training modules will be prepared for teacher training by NCERT.
- Teachers may be sensitized and oriented about the safety measures such as social distancing norms, sanitization requirements, tracking of students' health etc.
- Periodic check-ins and mentoring sessions between teachers and academic resource persons may be organized by State SCERTs/SIEs and DIETs, by collaborating with NCERT if required.
- Strategy for online training of teachers may be designed, where teachers are guided on teaching methodologies through live-streaming of online tutorials and MOOCs through NISHTHA and DIKSHA platform.
- Teachers may be provided with a platform to share their experiences, ideas, best practices, issues and concerns related to e-learning.

(ii) Promotion of e-learning platforms

- Use of e-learning Platforms like DIKSHA, e-Pathshala, SWAYAM, SWAYAM Prabha, NROER and NISHTHA may be promoted among teachers and students.
- Digital and Online education guidelines 'PRAGYATA' prepared by MHRD may be referred.
- Academicians, NGOs, Teachers may be encouraged to develop and contribute content in line with the State/UT curriculum (**Vidyadaan**). The content to be further uploaded on DIKSHA after requisite curation and approvals by **SCERTs**.
- SCERTs to develop guidelines on the usage of various available e-learning platforms, regarding the sample schedule of the sessions to be conducted online (time – table) and number of hours of usage. **Guidelines should also include how study@home can be undertaken and daily or weekly timetables may be issued.**
- The teachers can conduct virtual classrooms/discussions. The classroom sessions should be either live streamed or recorded. Queries and doubts of students should be adequately answered.
- **The planning of the access should be done such that no child is left behind. State/UT governments may ensure that learning content is accessible to the needs of CwSN.** In areas with low internet connectivity, the State Government should deliver the content through Radio and TV to reach the remotest location. **Use of mother tongue/local language may be enabled where possible.** The State Government may tie up with telecom services to increase access by improving connectivity, lowering costs and increasing coverage to mitigate access inequities.
- A mechanism may be developed to provide textbooks and Supplementary print materials to all children at home through Block Resource Persons and Cluster

7. Total Estimated Budget (2020-21)

The estimates for the AWP&B for 2020-21 under Elementary, Teacher Education and Secondary are as under: -

(Rs. in lakh)					
Head	Spill over	Non-Recurring (Fresh)	Recurring (Fresh)	Total *(Fresh)	Total (Including Spillover)
	1	2	3	4=2+3	5=4+1
Elementary	14118.421	4050.18	84983.44	89033.62	103152.04
Secondary	73028.928	4291.99	11697.69	15989.68	89018.61
Teacher Education	1186.62	0.00	2344.67	2344.67	3531.29
Total	88333.97	8342.17	99025.80	107367.97	195701.94

Includes Programme Management (MMER) and excluding surrender of earlier works.

8. Actual Releases by GOI during 2020-21

Against the above estimates, **Central Government shall provide to the UT Government, Rs. 132021.74 lakhs as its share (Rs. 81037.53 lakhs for elementary, Rs. 47816.05 lakhs for secondary & senior secondary and Rs 3168.16 lakhs for Teacher Education). The UT would contribute Rs. 14669.08 lakhs as its UT share matching the above Central share as per the existing fund sharing pattern of Samagra Shiksha.**

UT will also be able to utilise their unspent balances as on 31st March, 2020 for the activities approved in 2020-21 including spill over.

The additional requirement of funds as proposed by the UTs in the meeting has been examined and based on the norms & the criteria of the Samagra Shiksha Scheme, the funds for the eligible activities has been considered and provided in the estimates.

Based on the demand of funds projected by the UT for 2020-21, the tentative share of recurring and non-recurring grants is given below:

Component	Elementary Education	Secondary Education	Teacher Education	Total
Recurring	76485.10	10527.92	2110.20	89123.22
Non-Recurring	4552.43	37288.13	1057.96	42898.52
Total	81037.53	47816.05	3168.16	132021.74

The Balance of the outlay (i.e. **88333.97** lakh) approved under Non-recurring components in previous years which is not spent fully, is the outlay saved/spill over for the subsequent year (i.e. **2020-21**). Against the above Spill over, the committed liability of Department of SE&L is **Rs. 35390.569** lakh (**Rs. 907.267** lakh for Elementary, **Rs. 33425.342** lakh for Secondary and **Rs. 1057.96** lakh under Teacher Education after surrender) keeping in view the total approvals and grants already released.

Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by State/UTs and physical and financial progress of these interventions under the non-recurring head.

The following activities may be prioritised while incurring the expenditure:

- i) RTE entitlements
- ii) Quality initiatives including ICT, VE and TE
- iii) School Grants
- iv) Gender & Equity and inclusive education.
- v) Completion of pending civil works/spill over.

There are likely to be savings under the scheme. Therefore, supplementary PAB meetings may be considered separately sometime in the month of October-November, 2020, to consider the additional requirements of States and UTs.

As per Section 7(5) of the RTE Act, 2009, the UT Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching UT share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. It is recommended that the UT should meet the balance amount from its own resources including the additional funds devolved under the 14th Finance Commission.

The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2019-20.

The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

The UT should invariably provide Single Budget Head during 2020-21 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRC and CRCS which forms the portion of Teacher Education activities as well as for Secondary Education, the UTs shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha.

Through self-defence techniques, the girls are taught to increase their core strength. In dire situations, one is not required to have martial art training or a particular dress to defend and save oneself instead a strategic nudge, a sharp flick, a kick or a punch are enough to deter the attacker. The girls are trained to use every day articles such as, Key chain, dupatta, Stole, mufflers, bags, pen/pencil, notebook etc. as weapons of opportunity/improvised self-defence weapons to their advantage.

The UTs and UTs may also look for convergence for availing funding for self-defence training under the Nirbhaya Fund under Ministry of Women and Child Development, Government of India, Police Department, Home Guards, NCC or with other UT government schemes.
